HOW CAN YOU HELP?

SENDER

MOST Ministries understands that not everyone wants to serve around the world, but how can you help? Senders participate in Christ's mission by using their gifts to prepare teams for the mission field. Our onsite eyeglass program operates through the efforts of an extraordinary group of 100+ volunteers. They prepare 100,000+ donated eyeglasses each year by: sorting, washing, testing prescription strength, and grinding new lenses.

You can...

- Volunteer at our Mission Center located in Ann Arbor, MI
- Collect eyeglasses
- Make witness materials
- Provide financial support
- Speak or exhibit on behalf of MOST Ministries

GOER

Goers work side-by-side with missionaries in the field. MOST Ministries handles the logistics and provide supplies, training, and support. Together we respond to field-driven requests where our teams have provided:

- Eyeglass Clinics
- Clean Water Outreach
- Health & Hygiene Education
- English as a Second Language
- Medical Clinics
- And more

If you are...

- Between the ages of 14-90+
- Able to share the love of Jesus through words & actions
- Interested in serving for 1-2 weeks in the mission field
- Ready to assist with human care and outreach programs
- Prepared to commit to Bible studies, skills training, and team building

...Then you may want to join a mission team
