Monday, August 19	Two birthdays today: Charlotte Campbell, MOST Board member, & Mandi Ressler, Team Leader trainee. We wish both a Happy Birthday and a wonderful year ahead!
Tuesday, August 20	LWML chapters around the country generously send boxes of used eyeglasses to us for processing and to distribute on our mission trips. We are grateful for their help.
Wednesday, August 21	We pray today for our host in Kenya who is making plans to receive an eyeglass team in September. God bless his ministry and his efforts for our team.
Thursday, August 22	We give thanks for the partnership in ministry we have with Caring Friends of St. Peter Middleburg Church in South Africa.
Friday, August 23	As we begin to post our 2025 team offerings, we pray for congregations and individuals to sign up for these opportunities to serve as Christ's hands & feet.
Saturday, August 24	We pray for the many pastoral vacancies around the nation. We know that it is the Lord that calls men into this vocation, and we ask that many men would heed the call.
Sunday, August 25	Kaleigh Bone, Team Administrator, is exhibiting at the St. Lorenz Mission Fair. We pray her efforts will lead to increased team members for our 2025 teams.
Monday, August 26	We pray for students who will be starting in new schools or returning to class as the new school year begins.
Tuesday, August 27	We ask God's blessings on MOST Ministries Board of Directors meeting this afternoon.
Wednesday, August 28	We are grateful to partner with LCMS's Office of International Mission (OIM) that makes possible joint projects at churches in Belize, Honduras & Dominican Republic.
Thursday, August 29	Heavenly Father, we pray for all the dedicated followers of MOST Ministries who are reading this Prayer Calendar.
Friday, August 30	We are grateful for our host in Honduras. He is a capable leader and follows Christ's call to reach out to the neediest members of his community.
Saturday, August 31	We thank God for the grants recently approved by the LWML District Conventions in Indiana, Michigan, North Wisconsin, Oklahoma & South Dakota; also by the English District. In some cases, the grants are to assist with supplies for projects; in other cases, they provide scholarship assistance for team members. God bless you, LWML!
