**RE: Case 80-J-0164; Please Terminate Child Support
Deductions on Mr. Richardson w/ No Court Order**

Dear Judge O'Reilly,

At **www.prose-litigants.org** I have learned about the James Richardson child-support case, where he is still paying child support since 1984 (28 years). Yet your Court and the Jefferson County Child Support Division no longer have the case file (80-J-0164). Thus, no court order exists to compel Mr. Richardson to pay child-support.

If these files are destroyed after the child reaches 25 years of age (1992 for Richardson), then please stop Mr. Richardson's child support deductions from his monthly *Social Security* check. **His sons are now 44 and 45 years-old.**

Thank you.
